

11th July 2024

Dear Parents/Carers,

Further to my recent letter regarding the new PE Kit, I wanted to share details with you of an opportunity to look at sizing samples of the kit list (compulsory and optional). As you are aware, Kukri purchases cannot be returned or exchanged. As all items will have the Warlingham logo placed on the item of clothing at the time of ordering, Kukri have advised that they are classed as personalised.

Due to this we have decided to arrange a sizing samples session.

This sizing samples afternoon will take place on **Tuesday 23rd July at 4pm-6pm in A3**. Please come to the front of school, outside main reception on arrival. Mr Tipton (Head of PE) and Daniel Pearce from Kukri, will be on hand to answer any questions and offer guidance. Please do bear in mind when ordering that it may be prudent to allow for room for growth over the summer holidays if you are ordering sooner rather than later.

At this session, there will be samples of the new Kukri PE Kit in a range of sizes, including appropriate size options for rising Year 7 student's available.

You will not be able to purchase items on this day, but this session will enable you to make the correct sizing choices for your child(ren). All orders will need to be placed via the online shop here:

I would like to take this opportunity to reiterate that for September 2024, the new PE Kit will be compulsory for the new **Year 7 ONLY (current Year 6)**.

Students and siblings who will be in Year 8 in September 2024, will have the option to **either** purchase the new PE Kit via Kukri, **or** to continue to use the PE Kit as supplied by Hewitts, until September 2025 at which time the Kukri PE Kit will become compulsory.

Students and siblings who will be in Year 9 in September 2024, will have the option to **either** purchase the new PE Kit via Kukri, **or** to continue to use the PE Kit as supplied by Hewitts, until September 2025 at which time the Kukri PE Kit will become compulsory.

Students and siblings who will be in Year 10 in September 2024, will have the option to **either** purchase the new PE Kit via Kukri, **or** to continue to use the PE Kit as supplied by Hewitts. In September 2025 when they will become Year 11 students they will continue to retain the option to wear either the Hewitts or Kukri PE Kit.

Students and siblings who will be in Year 11 in September 2024, will have the option to **either** purchase the new PE Kit via Kukri, **or** to continue to use the PE Kit as supplied by Hewitts.
