

Dear Parents/Carers,

I wanted to contact you as I know that parents and carers start thinking about replacement uniform items over the summer holidays in readiness for the new school year in September.

You may or may not be aware that we are in the process of changing to a new supplier for our PE Kit to Kukri Sports. The new kit provides a modern look, whilst being practical, flexible and easier to keep clean! For September 2024, the new PE Kit will be compulsory for the new **Year 7 ONLY**. Students and siblings in Year 8 or upwards have the option to **either** purchase the new PE Kit via Kukri **or** to continue to use the PE Kit as supplied by Hewitts.

It is our intention to roll out the new PE Kit to all year groups from September 2025.

Should your child need to replace any of their PE Kit items, they can **either** purchase the items from our current kit list and supplier at Hewitts **or** they can purchase the equivalent item from the new PE kit supplied by Kukri. Items from Kukri are only available for purchase online via Kukri Sports. Please follow the link here to browse or purchase:

<https://www.kukrisports.co.uk/teamshop/warlinghamschool/productNavListNg.action>

For your information, the **New Kukri PE Kit** list will comprise:

Compulsory items from Kukri

- Technical T-Shirt (available in Technical and women's fit) We recommend purchasing two tops as students may have multiple PE lessons per week.
- Quarter-zip Track Top (available in Technical and women's fit)
- Tracksuit bottoms (Regular leg and Tapered fit available)
- One item from this list: Training Shorts (available in regular and women's fit) or Technical leggings or Skort
- Games socks

Kukri purchases cannot be returned or exchanged – as all the items will have the Warlingham logo placed on the item of clothing and as a result are then seen as being personalised. Please bear this in mind when ordering and allow for room for growth over the summer holidays if you are ordering sooner rather than later.

Please be aware that the women's items of clothing tend to come up smaller and Kukri suggested that parents/carers may need to size up if ordering women's items and said that looking at the sizing guide was important starting point. Men's sizes fit true to size but, are not a loose fit.

Please also note that the youth sizes e.g. the joggers and leggings etc do not have a inside leg measurement on the website – Kukri are looking to include this so please do check.

Delivery options

When ordering from the online shop, you will have the option to have your order delivered to the school free of charge; this option is available on all orders received before 9th August. If you would prefer to have the

order delivered directly to your home address you may do so, but please note that home delivery would incur a delivery charge. Both delivery options are available on the online shop.

A reminder of our current Compulsory kit list available to purchase from Hewitts:

- White polo shirt with embroidered school logo
- Plain navy blue or black sports leggings or jogging bottoms or plain navy-blue sport shorts
- Long sleeve rugby shirt
- Plain royal blue knee-length sport socks
- White sports socks

Other **Optional Recommended Items** are available for both the new PE Kit available from Kukri and our current PE Kit from Hewitts. Please see individual websites for details.

I also wanted to take this opportunity to bring to your attention our slightly amended uniform policy in relation to footwear. **From September 2024**, the following will apply:

- Plain black smart leather or leather-look shoes that are polishable.
- No logo (due the nature of the Kickers' logo, Kickers are permitted). Shoes must be flat - no platforms, boots, sling-backs, open-toe shoes or canvas shoes are allowed.
- No high boots or boots above the ankle line.

No other footwear will be permitted.

Should you have any further queries regarding the Kukri kit, please contact Kukri direct via the contact details on the online shop.

Many thanks

Charlotte Christie
Assistant Headteacher

School Uniform List (September 2024)

All students must wear the following items

Main School Uniform:	Hewitts Starting Price	Additional Information

Black opaque tights	£4.50	Available from Hewitts and other retailers
Plain black sensible leather shoes (no logo)		Maximum 3cm inner edge of heel, no boots, no canvas shoes, no trainer style shoes

Religious Dress

The school is committed to ensuring equality of opportunity for all students regardless of race/creed. As such we are willing to discuss with individuals the wearing of specific items of religious dress, as long as it does not contravene health and safety rules, nor is contrary to the school uniform community ethos. For example, for religious/modesty reasons, a girl may wish to consider wearing a plain head covering in the school colour (navy blue or black).

PE Uniform

From September 2024, students in years 8 – 11 will be able to continue to wear the current PE kit as detailed below, from Hewitts. These year groups can also choose to move to the new PE kit providers from September 2024 if they wish.

From September 2025 all students, in all year groups will be required to wear the PE kit from Kukri. The full kit list from Kukri is also detailed below.
